SUMMARY

I am a Computer Science Engineering (AI ML) student with a strong foundation in programming and web technologies, including Python, C, HTML, CSS, and basic JavaScript. Possess basic UI/UX design experience using Canva, and Cap Cut, with an understanding of creating user-friendly and visually appealing designs. I will practice data structures consistently, make me increase accuracy in problem solving and strong willingness to learn emerging technologies and apply problem-solving skills through data structures. Seeking opportunities to enhance technical expertise, contribute to innovative solutions, and grow as a software professional.

TECHNICAL SKILLS

Languages : python, c
Concepts : data structures using python, OOPs in python
Database : SQL
UI/UX Tools : canva, capcut
frontend tech : HTML, CSS, Java script(basic)
Dev Tools : Visual Studio Code, Git, Github, jupyter notebook
languages known: **Telugu** (Native or bilingual proficiency), **English** (professional proficiency)

EDUCATION

Raghu engineering College CSE with AI and ML CGPA - 8.5	visakhapatnam, A.P, India batch 2023 – 2027
NRI Junior College M.P.C Score - 922	visakhapatnam, A.P, India batch 2021 – 2023
Sri Sivananda High School SSC Score - 600	visakhapatnam, A.P, India batch 2021

PROJECTS

PROJECT-1

CARTOPIA - (E-Commerce website)

HTML, CSS, java script, PHP, My SQL, Github

- CARTOPIA is a full stack E commerce platform. It allows user to browse products, search products and add products to a cart, place orders, and track order status. Implemented secure user authentication, admin product management, order management, and a responsive user interface.
- Technologies Used**
 - Frontend: HTML5, CSS, JavaScript
 - Backend: PHP
 - Database: MySQL
 - Tools: XAMPP, phpMyAdmin, GitHub

PROJECT-2

Personal portfolio

HTML, CSS, java script

- Designed sections to showcase skills, projects, education, and contact information. Implemented a clean and user-friendly interface with responsive layouts. Gained practical experience in frontend development, web design, and JavaScript.

CERTIFICATIONS

- Certified Hands on Programming in python by **skill rack**
- Certified OOPs concepts in python by **Code Chef**
- Certified SQL by the **Code Chef**
- Certified Numpy - Practice problems and challenges by the **Code Chef**
